

Application for Product Evaluation

(submit two copies of this document and all attachments)

I, _____, being an authorized agent of
(Name of Company Representative)

_____, request that the
(Company Name)

Arizona Department of Transportation (ADOT) perform a product evaluation of
_____.
(Name of Product)

I have read and understood the ADOT Product Evaluation Policy. I recommend that the following course of action (*one action per request*) be taken:

- _____ Submit the product to ADOT for acceptance under current specifications (**Submit all the necessary information as described in *Section B* of ADOT's Product Evaluation Policy.**)
- _____ Submit the product for evaluation by ADOT (**Submit all the necessary information as described in *Section C* of ADOT's Product Evaluation Policy.**)

GENERAL:

Attach available literature pertaining to the product, including, but limited to, instructions and limitations for use, composition or laboratory analyses, handling precautions, health hazards, a complete Material Safety Data Sheet, specifications, and cost. The Arizona Department of Transportation reserves the right to refuse to test any material that cannot be safely tested with the laboratory equipment available to ADOT. If unused product portions would be considered hazardous waste (as defined by 40 CFR 261 *et seq.*) then the *Applicant* must accept the financial responsibility for proper return or disposal of this material.
